

2022 Sponsor & Exhibitor Opportunities

The Indiana Library Federation (ILF) is a membership organization that leads, educates and advocates to advance library services for the benefit of Indiana residents. ILF organizes two in-person conference opportunities for Indiana library professionals and staff:

- Youth Services Conference, August 20 -21: serves more than 200 attendees who work with children and teens in public and school libraries.
- Annual Conference, November 14 -16: serves over 400 attendees from public, school, academic and special libraries.

Not only does ILF provide the opportunity to share, connect with and support our peers, but over the years we have developed a unique relationship with our sponsors. Consider a partnership with ILF to promote your company, products and/or services to our members within a variety of opportunities.

ILF provides opportunities to recognize sponsors and exhibitors through other avenues of communication. These include our website, newsletters, and virtual meetings. We invite you to consider exhibiting and sponsoring at our events and activities. Let us help you reach the decision makers in Indiana libraries.

In the following pages you will find additional information about registration and sponsorship opportunities for the 2022 ILF Conferences. Please note, both conferences are outlined in the pages.
